

Dear Business Owner:

Oscoda Community Center is proud to announce a new endeavor and opportunity for your company. PICTURE THIS:

Your company's name and logo on a banner, mounted in the gym at the community center. Hundreds of people will view it regularly and will know that your company participated in a program which helped to keep the center alive and running for future generations.

The Program

The dollars generated from this advertising program will be used to help fund the community center's operational expenses. The center has been open since 1999, operating in part from funds allotted from base closure. As these funds are diminishing, a new stability is being sought in the form of funds from advertising of local business owners. Promote yourself and support your community at the same time!

The Deal

For \$150.00, you will receive a 2' x 4' banner which may include your name and camera ready logo (with 2 colors), that we will mount on the "We Support You" gymnasium wall for a period of **24 months, and the banner is yours!** (Banner will be prepared at Truly Yours sign shop.)

This will remain in place for center members and visitors to view. After the 24 month period, you may continue for an additional 24 months at a cost of \$100.00. What a great way to show the community that you care!

Do It Now!

It's this easy; fill in the basics on the next page, turn the form in to the Township Treasurer, and we'll be in touch!

“We Support You” Banner Registration

Business Name: _____
